North Dakota Ohio South Dakota Wisconsin**

Hello,

Did you know that there is a golf tournament every August for deaf women? Yes, we are a strong, wonderful organization called the *Midwest Deaf Ladies Golf Association* (MDLGA). Established in 1964, our objective has been to have a once a year tournament event for gathering and fun.

MDLGA is open to all Deaf and Hard of Hearing women. We warmly welcome experienced or new players. We have many women coming from East, West, South and North in the United States. The 3 day tournament is held in different states every year alternating among the twelve states listed under the letterhead.

At this tournament, you have a choice to play 9 holes per day (27 holes for 3 days) OR 18 holes per day (54 holes in 3 days). There are money prizes, putting contest, luncheon, social evening, dinner banquet and trophies and more! For more information about our organization such as history, past/current tournament, please visit our website: [www.mdga1947.org/mdlga.htm](http://www.mdga1947.org/mdlga.htm).

If you are interested, please feel free to contact us. We will be sure to get back with you soon!
